Dear Mr. Potter :

This is in response to your letter dated April 7, 2000, which we received on that same day, requesting an extension of 20 days in which to continue pre-probable cause conciliation negotiations. You request the extension because you were only recently retained by Respondents as their counsel and are in the process of reviewing the file in this matter. After considering the circumstances presented in your letter, the Office of the General Counsel has granted the requested extension. Accordingly, this Office will continue pre-probable cause conciliation negotiations until the close of business on April 27, 2000.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Buckley".
